WELCOME TO DC BOOKS FOR YOUNG READERS!

As superhero storytelling has exploded in popularity in recent years on both the big and small screens and in children's publishing, DC is pleased to introduce brand-new imprints dedicated to storytelling for kids!

DC Books for Young Readers brings the iconic superheroes of DC Entertainment to graphic novels for both middle-grade and young adult readers.

With world-class authors lending their expertise in reaching readers from these age groups and brand-new, standalone stories featuring the characters we know and love, these graphic novels will appeal to DC fans new and old.

DC ZOOM targets ages 8–12 with stories that focus on external issues, helping readers explore and understand the world around them. Librarians tell us that DC titles are a great tool to engage reluctant young readers, and DC Zoom makes our characters accessible with new, out-of-continuity stories by kids' favorite authors.

DC INK is for readers 13 and up, and features coming-of-age stories that encourage teens to ask themselves who they are and how they relate to others. DC Ink features storytelling that focuses on real-world situations and relatable characters who are not perfect, but are nuanced and complex–just like our readers.

We hope you enjoy our first titles from these imprints, both solicited in this catalogue: **MERA: TIDEBREAKER**, from DC Ink, written by *New York Times* bestselling author Danielle Paige, and **SUPER SONS BOOK ONE: THE POLARSHIELD PROJECT,** from DC Zoom, written by *New York Times* bestselling author Ridley Pearson.

MERA: TIDEBREAKER TP

written by
DANIELLE PAIGE

art and cover by
STEPHEN BYRNE

Princess Mera is teenage royalty and heir to the throne of Xebel, a colony ruled by the other no-so-lost land under the sea, Atlantis. Her father, his court, and the entire kingdom are expecting her to marry and introduce a new king. But Mera is destined to wear a different crown....

When the Xebellian military plots to overthrow Atlantis and break free of its oppressive regime, Mera seizes the opportunity to take control of her own destiny by assassinating Arthur Curry–the long-lost prince and heir to the kingdom of Atlantis. But her mission gets sidetracked when Mera and Arthur unexpectedly fall in love. Will Arthur Curry be the king at Mera's side, or will he die under her blade as she attempts to free her people from persecution?

An astonishing story that explores duty, love, heroism, and freedom...all through the eyes of readers' favorite undersea royalty.

From New York Times bestselling author Danielle Paige (Dorothy Must Die) and artist Stephen Byrne comes a Mera-and-Aquaman story that explores Mera's first steps on land, and her first steps as a hero or villain, forcing her to choose to follow her heart or her mission to kill.

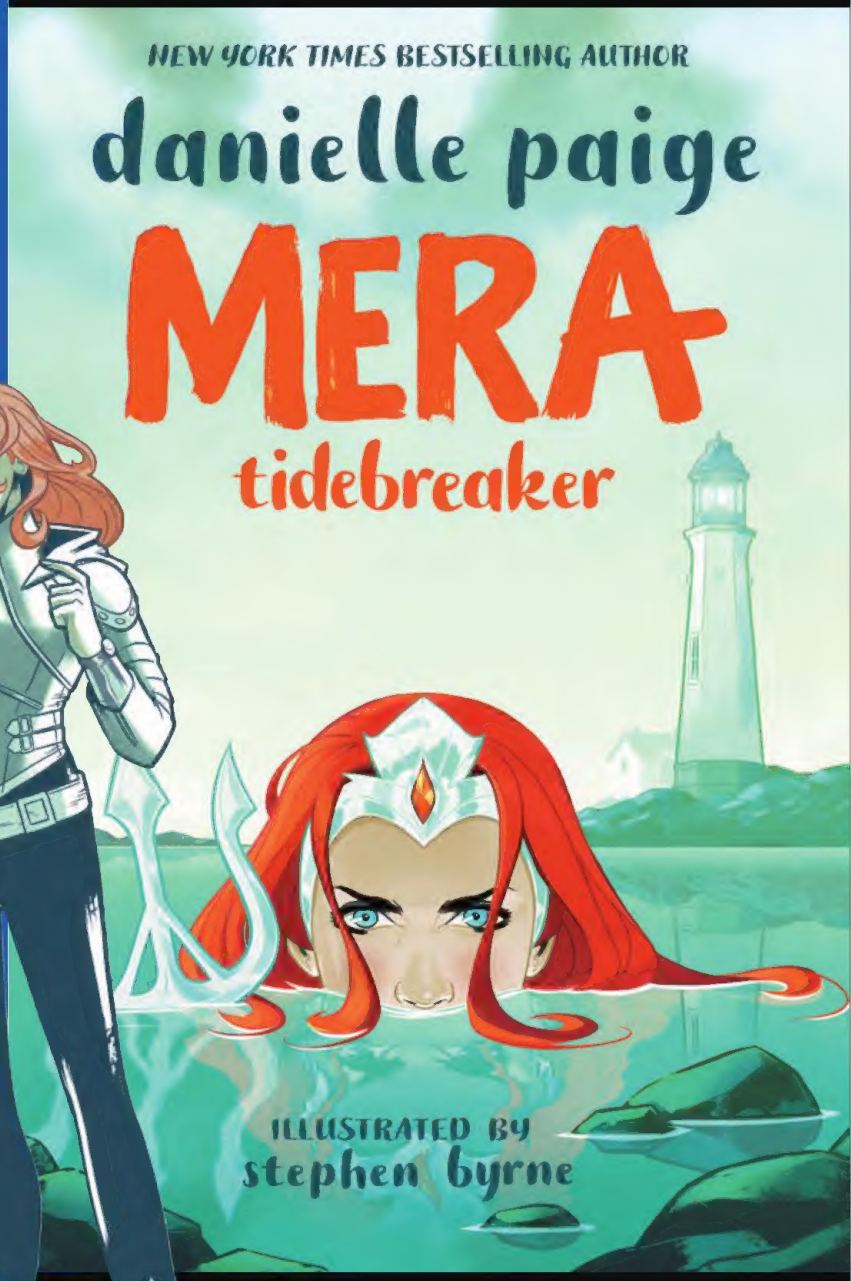
"Getting to write the part where Mera is figuring out who she is, what she wants, what the truth is, and what she is truly capable of–both as a teen and as a potential hero–is what I hoped to capture when writing MERA: TIDEBREAKER." ***–Danielle Paige***



MERA: TIDEBREAKER offers a riveting new portrayal of the ocean's fiercest princess. With her passion, strength, and willfulness, Mera is sure to capture the hearts of both longtime readers and those who are discovering Atlantis for the first time."
***–Marissa Meyer, author of* The Lunar Chronicles**

"This is a story about fathers and sons, mothers and daughters. Friends. Enemies. Competitors. School. Adventure. They are in a world of climate change, flooding, and global disaster. Most of all, they will explore: themselves, their families, their enemies, and the world I've built for them to live in." ***–Ridley Pearson***

"Ridley Pearson knocks it out of the park with this supersonic tale."
–Eoin Colfer, author of the Artemis Fowl series

"As the breathtaking action unfolds, the mysteries pile up–and there is danger on every page. My kind of story! I want to see more, more, MORE!"
